B.3. Progress Report

RHA continues to reinforce the agency's mission of expanding quality affordable housing through new construction projects and partnerships. The agency also continues to connect residents with human and social services by owning and managing a multi-service hub.

RHA is committed to expanding affordable housing options by continuing to partner with Homestead Community Land Trust to promote the expansion of additional affordable homeownership townhomes, known as Willow Crest Phase II.

The most recent project, Sunset Gardens, is a 76-unit apartment complex with a mix of studio and one-bedroom units. 50% of the units are set aside at 30% of the area median income and 50% are set aside for 50% of the area median income. The new apartments are dedicated for seniors and persons with disabilities. Construction began in July 2022 and was completed by March 7, 2024, with 100% lease up by July 2024. The project is funded by Low-Income Housing Tax Credits. Sunset Gardens was built on the current Renton Housing Authority administrative office site. RHA's office and staff was temporarily relocated until construction was completed and moved back to occupy the ground floor commercial space around February 10, 2024.

RHA continues to own and manage the Sunset Neighborhood Center (SNC), a service hub located in the heart of the Sunset Neighborhood, where a large portion of the housing portfolio is situated. The SNC hosts our partners including HealthPoint, Neighborhood House, and St. Vincent de Paul's Centro Rendu. Our partners offer primary medical care, behavioral health services, case management, and culturally sensitive educational, legal, and financial services for the Spanish-speaking community. www.sunsetneighborhoodcenter.org.

RHA owns a piece of property that in Unincorporated King County, in an unincorporated city of Fairwood, which consists of 4.94 acres of flat, developable land with a house located on it with an additional 14.95 acres of wetlands and marsh below the 4.94 acres, which has a steep grade of an additional 80 plus feet to the lower area. This property was purchased by prior administrative staff and board in 2006 but RHA cannot develop on this land to any extent that would be beneficial to keep it. RHA is currently working with King County Parks and Recreation to see if they will purchase it from RHA to incorporate it into their Soos Creek Park System, which adjoins one corner of the property line. RHA will work on an appraisal of the land/property to get the greatest return back to use in other areas, such as decreasing or paying off a loan of one of RHA's solely owned property that has construction debt on.

RHA also owns three parcels where their old, original low-income public housing was located. The LIPH or Low-Income Public Housing was demolished years ago but the land was never disposed of through the SAC or Special Application Center through the HUD or US Department of Housing and Urban Development.
